Road Highlights:

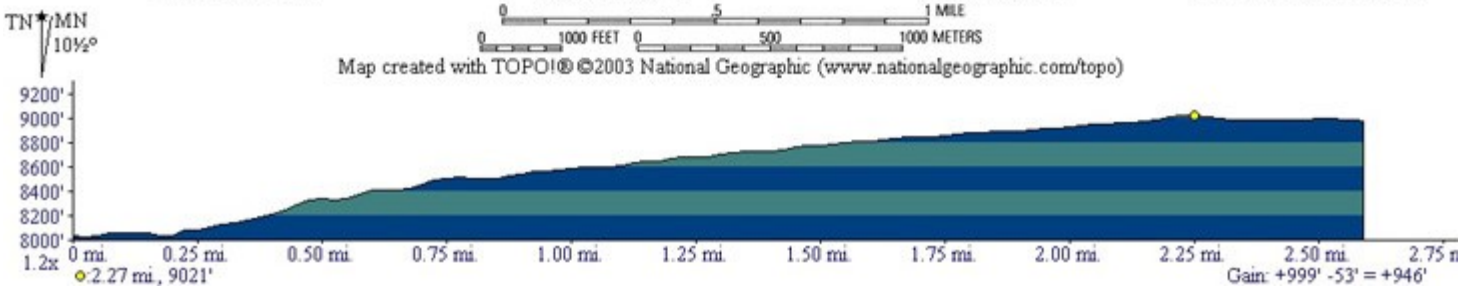

- Due to the condition of Brush Creek Road, we recommend that you park trailers at the Old Grandview Cemetery and not drive them up the road.
- The first mile of the Brush Creek Road is steep and leads through sagebrush offering an excellent view of Green Mountain Reservoir and the Lower Blue River Valley. Once in the trees the road becomes increasingly narrow.
- Brush Creek Road ends at the Brush Creek Trailhead which accesses the trail system within the Eagles Nest Wilderness. A common destination from this trailhead is Lost Lake.
- There are some dispersed camping areas near the Brush Creek Trailhead.

Important Information:

- **Motorized access and bicycles are not allowed in the Eagles Nest Wilderness**
- **DOGS MUST BE ON A LEASH AT ALL TIMES IN THE EAGLES NEST WILDERNESS.**
- **Check with the district office and trailhead signs for restrictions that apply for backcountry travel and camping throughout the Eagles Nest Wilderness.**
